75% New Zealand Wool, 25% Nylon

Machine Tufted, Made in United States

Synthetic fiber rugs are dirt and stain resistant and will look wonderful long-term simply by vacuuming regularly without the use of the beater bar. Use only cold water when cleaning wool to avoid shrinkage. If spills occur, blot immediately with a dry cotton cloth, blot again with mild soap and cold water, and again to dry. Avoid excessive heat or agitation. Do not use oxygen cleaners on your synthetic fiber rug. Avoid direct sunlight to prevent fading. For best results periodic professional cleaning is recommended.
